Product name : Micrewtube®	Catalogue no.: T334-6S
Edition date : 2005-10-08 Approved by : Annette Roy	Revision date: 2010-02-11
This document replaces any previous version	

Product identification

- Designation: **Micrewtube® with screw cap**

Production Information

- Producer's name: **Simport Scientific**
- Address: 2588 Bernard Pilon, Beloeil (Québec), J3G 4S5
- Tel. no / web site: (450) 464-1723 / www.Simport.com

Packaging

- Case: Cardboard box with 10 packs of 50 units, for a total of 500 units

Traceability.

- Lot no
  - Composition: 8 digits
  - Location: (The lot number can be found in different locations)
    ① On exterior case label.
    ② On inserted label inside case.
    ③ On inner package.

Standard conformity.

- **MIL-STD-105E**: Sampling and inspection plan
- **FDA**: Resin conforms to FDA 21 CFR 177.1520
- **Coneg**: Plastics resins are in conformity with CONEG standards
- **Rohs**: Plastics resins are in conformity with Rohs standards

Product name : Micrewtube®	Catalogue no.: T334-6S

↺Quality assurance

- Clear, no presence of contamination in plastic
- Visual attributes
- Dimensions and volume measurements
- Closure verification
- Leak proof testing in vacuum at 70 cm/Hg
- Liquid nitrogen resistance testing (gas phase only)

↺ Specifications

- Disposable Micrewtube with o-ring seal screw cap
- Sterile, non graduated tubes with caps screwed on
- Material: polypropylene for tube and cap
- Silicone for seal
- Volume: 1.8 ml
- Autoclavable at 121 °C, for up to 30 minutes.
- Gamma sterilization resistant
- Temperature range: -196 °C to 121 °C

↺ Storage conditions

- Store in cool dry place.
- Avoid temperature variations and humidity.
- Protect from any possible contamination.
- Protect from any damage to the packaging, which could compromise sterility

↺ Recommended use

- Check cap closure when using biohazard material and/or chemical reagents.
- Follow chemical resistance chart recommendations
- Follow manufacturers instruction for automated equipment
- Should be used only in gas phase of liquid nitrogen
