Product: DX-Q-Matic Cleaning Solution
Synonym: DX-Q
Catalog Number: 74674

Composition Information

Chemical Formula/Composition: Mixture; primary ingredients include
Diethylene Glycol Monobutyl Ether: CAS # 112-34-5
Dioctyl Sodium Sulfosuccinate: CAS # 577-11-7
Physical Description: Hazv liquid

Hazard Identifications

TLV of the Substance: Not Available
WHMIS #: NC

Route(s) of Entry
Inhalation: Yes
Skin: Yes
Ingestion: Yes

Health Hazards:

The toxicological properties of this compound have not been thoroughly investigated. Possibly toxic via oral, inhalation or absorption.

Signs and Symptoms of Exposure:

Unknown. May include moderate to severe erythema (redness) and moderate edema (raised skin), nausea, vomiting, headache.

First Aid Measures

Substance in Contact with skin:

Remove contaminated clothing and rinse with copious amounts of soap and water for a considerable amount of time.. Not hazardous.

Substance has been swallowed:

Drink 1 or 2 glasses of water within 15 minutes.. Always call a physician or take patient to hospital.

Substance in Contact with eyes:

Rinse liberally with water for a considerable amount of time.. Always call a physician or take to a hospital.

Substance has been inhaled:

Take patient into the fresh air and allow to rest.. Always call a physician or take patient to hospital.

Additional Instructions:

Observe proper laboratory procedures when handling material.

Fire-Fighting Measures

Flammability: No Unusual Hazard
Flash Point: Not Available
Minimum Ignition Temperature: Not Available
Risk of explosion: Not Available
Extinguishing Media: Carbon Dioxide, dry chemical, or foam

Accidental Release Measures

Spill or Release of Material:

Absorb the liquid in an absorbent or other drying agent then shovel into a suitable container for disposal.

Handling and Storage

Storage: Room Temperature

Handling:

Always wear gloves, mask, goggles or other protective clothing and use a hood. Follow proper laboratory procedures.

Exposure Controls and Personal Protection**Personal Protection:**

Respiratory Protection: No
Eye Protection: Yes
Protective Gloves: No

Is a local exhaust system required when the substance is used for its normal purpose: Yes

Physical and Chemical Properties

Melting Point: Not Available
Boiling Point: Not Available
Specific Gravity: Not Available
Vapor Pressure: Not Available
Solubility in Water: Not Available
CAS #: Not Available RTECS #: Not Available

Stability and Reactivity

Any Dangerous Reactions:
No Unusual Hazard

Decomposition of the substance when heated or burned:
Acid smoke and irritating fumes

Toxicological Information

None

Disposal Considerations

Incorporate or landfill as complies with state and local laws.

Transport Information

UN #: Not Available

Regulatory Information

TSCA (Toxic Substance Control Act): Unlisted
SARA

302: No
312: No

Refer to 40 CFR Part 355 for Section 302 and 40 CFR Part 372 for Section 313 of Title III

National Fire Rating System:

Health: 1 Flammability: 0 Reactivity: 0 Special Notice: S/N
Hazard Rating: 4: Severe; 3: Serious; 2: Moderate; 1: Slight; 0: Minimal; -: Unknown

Date of Preparation: 02/13/97
